TRANSPORTATION LETTER

Dear Parents,

If you are not eligible for Lakota school bus transportation and would like yellow bus service for the 2018-2019 school year, please complete the attached registration form and return it by **July 15, 2018**. Paul's Bus Service routing is based on the registrations we receive each year, and returning this form (with the 1st month's payment and a non-refundable \$15.00 per school registration fee) as soon as possible can ensure your student(s) a place on the bus with the best possible pickup and drop off location.

We will provide AM and PM services to any Lakota High School, Freshman School or Junior High School. Every student must be registered with Paul's Bus Service each year to be eligible for a bus. Please send one (1) form for each student. Additional siblings must have the same address to get the discounted rate. Failure to register your student(s) early enough could result in each being placed on a waiting list. Once the buses are full, you will be placed on a waiting list to be reviewed on a weekly basis.

We do not pro-rate payments. **Bus payments must be paid before the 15th of each month. No Post dated checks.** If your payment has not been received by the 15th of the month without prior arrangements through our office, your service will be cancelled until payment is received. You must make monthly payments, regardless of how often the student(s) rides. To assure proper credit to your account, all checks and money orders must have the student(s) name on them. There will be a \$30.00 charge for non-sufficient funds checks. All NSF checks not made good immediately by money order will cause service to be discontinued.

If your student(s) is involved in sports or other activities and does not ride, you may cancel service for those months and risk losing the seat. If you choose to resume service, you must call the office ahead of time to restart service. . If a seat is no longer available, you will be placed on a waiting list and given a seat when one becomes available. **You must call the office to cancel service for any reason.** If you do not call the office to cancel service, you are still responsible for those monthly payments because we will assume that you are still using the service, even if no one is riding. Because the seat has been reserved for your student(s), no refunds (partial or full) will be given once the month has started

Any questions or concerns with our service, please call the office. Please do not confront the driver. The driver is there to transport your student(s) safely and does not need any additional distractions.

WEATHER CONDITIONS – Please watch your local news for school delays or closings. If Lakota is on a 2 hr. delay due to weather, the buses will run 2 hrs. later than normal. On early release days, Paul's Bus Service will provide service for students who are on early release at the scheduled release time, or as early as possible.

* Paul's Bus Service reserves the right to discontinue transportation to any student for any behavior/action by the student or parent that is considered dangerous, abusive or threatening.*

Route information will be mailed to you the week before school begins. Thanks!
